BRAJ BINANI GROUP

BIL INFRA TECH LTD

INDIA'S FASTEST GROWING
EPC COMPANY

BRAJ BINANI, Chairman

From a humble beginning 142 years ago, Braj Binani Group under the leadership of Shri Braj Binani is today a multinational conglomerate with an annual turnover of USD 755 million and an asset base of USD 853 million. The group is focused on expansion and diversification on a global scale and has inducted the finest professional talent, the best-in-class technologies to distinguish themselves as a Quality and Efficiency focused, Environment friendly and Socially responsible business house.

SRINIVASH SINGH, Managing Director

BIL Infratech Ltd., is led by Mr. Srinivash Singh and supported by a highly experienced team recognized in the industry as leading Engineering Project Management personnel. The company has witnessed exponential growth with its annual turnover increased by about 262% and profitability by a remarkable 17 times. Today, BIL Infratech is a leading company in EPC and Infrastructure sector working in both private and public sector.

Introduction

BIL INFRATECH LTD

BIL Infratech Ltd. is a wholly owned subsidiary of Binani Industries Ltd. which is a part of Braj Binani Group, a 142 year old diversified multinational business conglomerate.

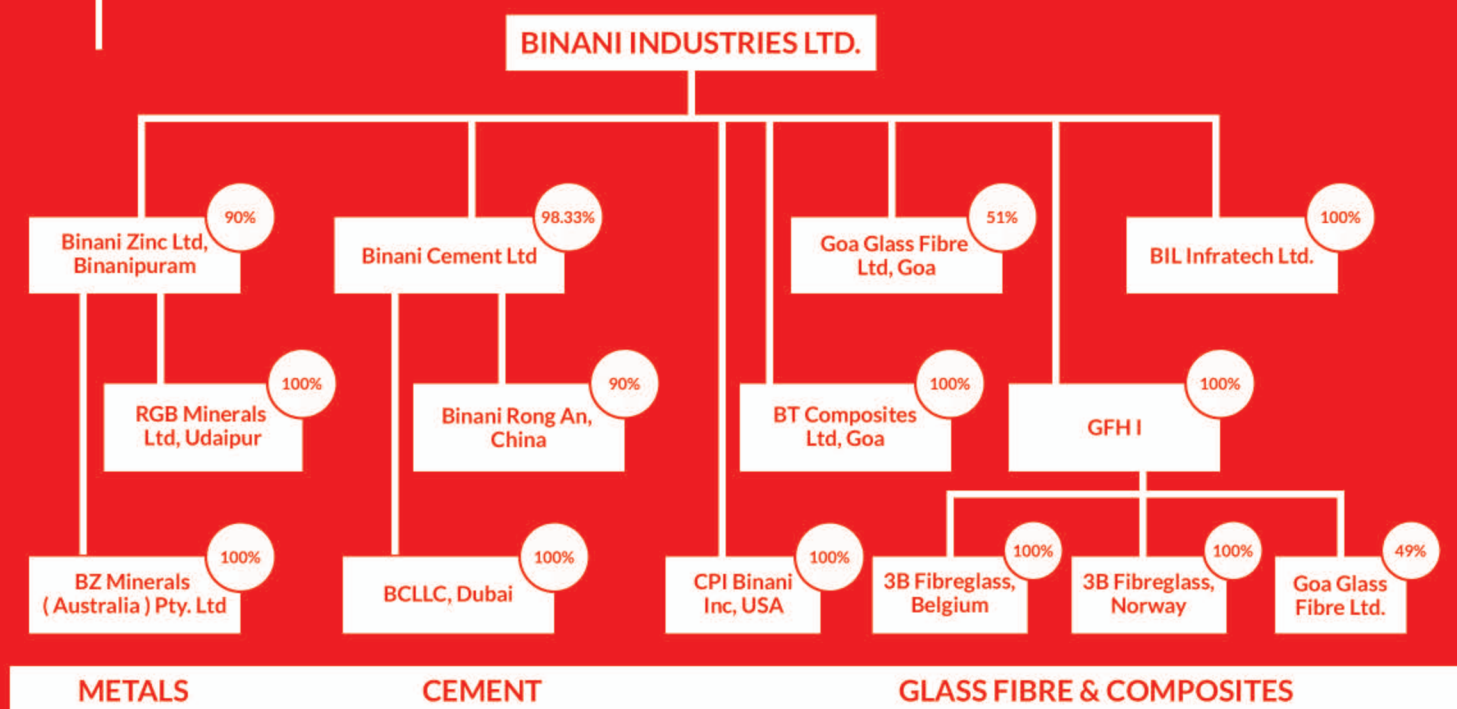

BIL Infratech Ltd. is professionally managed by a team of qualified experts and experienced managers headed by Mr. Srinivash Singh, a veteran with more than 45 years of experience of building 300+ Projects on EPC basis in Power, Steel, Infrastructure, Cement, Mines & Minerals.

Since it's formation in 2010, with the goodwill of Braj Binani Group and able management team, BIL Infratech Ltd. has enjoyed exponential growth securing large number of projects from public and private sector. The Annual turnover of the company for the Financial Year 2013-2014 was 53 million USD.

Heritage

BIL Infratech Ltd. is part of the Braj Binani Group, 142 year old diversified multinational business conglomerate with interest in Cement, Fibre Glass, Zinc Smelter and Infrastructure having presence in India, China, Middle East and Europe.

The Group has constructed all its Cement Plants, Zinc Plants along with the Captive Power Plants & Fibre Glass Plants with its in-house Construction, Project Management & Engineering team over last two decades. In the year 2010 the Group decided to form a separate company for undertaking all infrastructures related projects. To realize this objective, a 100% subsidiary Company was floated in the name of BIL Infratech Ltd. by way of transferring all the personnel, plant & machinery, credentials of the erstwhile in-house project wing.

Business Segments

EPC Solution for

- Cement Plants – From concept to commissioning
- Thermal Power Plants – BTG & BOP
